

INVITATION TO BID

Firefighter Personal Escape Devices – Sealed Bid Solicitation

Issue Date: June 12, 2025

Bid Due Date: July 8, 2025

Bid Opening Date: July 8, 2025 - 2:00pm

Submission Address: North Greece Fire District

Contact: Battalion Chief Todd Smith

The North Greece Fire District is requesting sealed bids for the purchase of **seventy (70) complete firefighter personal escape devices**. Each device must include:

Each personal escape device system will include the following components:

1. Flash.G Escape Anchor

- Classified to NFPA standards as Emergency Escape Anchors and Escape Descent Control Devices
- Structurally optimized: strong, robust, lightweight (<8 oz), and low-profile
- Ergonomic full-hand grip for rapid deployment
- Rated to 13.5 kN MBS, including tip load
- Tip design promotes anchor embedment and prevents rotation
- Wide throat for compatibility and stability when hooking structures
- Smooth-acting Flash.G gate prevents snags on gear

2. LEVR Descender (Reeved with Fire Escape Web)

- Horizontal payout reduces impact force during bailout
- Designed for smooth edge transitions at window sills
- Auto-locking for hands-free exit
- Ergonomic, non-slip handle for gloved use
- Smooth, progressive descent with 1- or 2-handed operation
- Weight: 190 g (6.7 oz); Dimensions: 158 x 38 x 31 mm
- Includes personal tether and auto-locking ProTech™ carabiner

- Patented and Made in the USA

3. Fire Escape Web (50 ft)

- 15.2 m (50 ft) of 11 mm proprietary web
- UL Classified to NFPA – FR Escape Web
- 100% Technora for superior strength, durability, and heat resistance
- Compact storage footprint due to web construction

All components must be NFPA-classified, meet the specifications listed, and be new and unused.

Bid Instructions:

- Bids must be submitted in a sealed envelope clearly marked "Firefighter Escape Devices – Sealed Bid."
- Bids must be received by [Due Date & Time]. Late submissions will not be accepted.
- Bids will be publicly opened on [Opening Date & Time] at [Location].

Evaluation Criteria:

- Compliance with specifications
- Total cost
- Delivery timeframe
- Vendor qualifications and references

The North Greece Fire District reserves the right to reject any or all bids, waive irregularities, and accept the bid most advantageous to the department.
