- The first meeting of the Greece Public Safety Council was held last week, and it was successful.

Commissioner W. Bedford

- Vehicles: the new battalion Chief's vehicle is at EV and should arrive before July 4. We will then start repurposing other vehicles. The pre-paint inspection for the new engine 274 will be in July. Capt. J. Gates, BC J. Klein, and N. Mucci will be inspecting it in Scranton, PA. The ladder truck should be done in January.
- There will be a meeting on July 10 for future planning on vehicles.
- The Greece Public Safety Council meeting kickoff was well attended. It started to turn negative regarding fire districts but settled down after explanations of fire district funding and spending. They acknowledged letting the commissioner group start conversations about shared services and then push it to the town group. This group plans on meeting quarterly.

Commissioner J. Nolan

Commissioner W. Rickman

- The commissioners had a very nice tour of the fire house. The interior is coming along nicely. The 2nd floor is 95% complete. Lighting has been installed on both floors. We passed our above ceiling punch list. Paving will be starting in the next 2 weeks. We are currently under budget on soft costs. The doors will be installed in the next 2 weeks. Currently, we are still on schedule for August completion.
