Deputy Chief J. Lissow

- Town of Greece update: The highway superintendent verified that the town of Greece owns a portion of the property at training grounds. They are willing to talk further about snowplowing, but it would be low on the priority list and may not get plowed for days.

Commissioner W. Bedford

- The contract for snowplowing and salting for the pavilion has ended. There was a discussion regarding the department currently mowing and taking care of downed trees and the district taking care of salting and plowing. A memo of understanding can be written to state this. A RFP is needed for plowing for this winter.
- The secretary will get the most recent lease for the training grounds to the commissioners.
- Vehicle 2C-27 is in service. The building of the new fire trucks is on track. We are working with Sutphen to have warranty paint work done on E-273. The truck future planning committee met.
